

## **May Report for THE NICHOLAS COUNTY CONSERVATION DISTRICT**

May 4 – Monthly board meeting held at the Extension Office at 6:30pm, all board members present along with NRCS Supervisor and Field Rep with the Division of Conservation.

The office received one call concerning Deceased Animal pick-up.

Office Staff completed a revised Annual Budget for 2010-2011.

The District completed a loan application to the Division of Conservation for the purchase of a new hay wrapper; along with an application to the Governor's Office of Agricultural Policy.

Office Staff submitted a monthly report to Division of Conservation for the Deceased Animal Removal Program.

Reservations were made for Supervisors attending the Annual Division of Conservation Convention.

The no-till drill was rented out 4 times and the hay wrapper 5 times.

Bluegrass Recycling Services removed 12 cattle and 1 horse for the Deceased Animal Removal Program.

The office had around 45 conservation related calls and 30 in office visits.
